Sir:

Applicants note that in the response to the outstanding Official Action filed on February 28, 2008, claims 5 and 15-18 were incorrectly identified as “Currently Amended” or “Previously Presented,” rather than “Withdrawn, Currently Amended” or “Withdrawn.” Accordingly, Applicants submit herewith a substitute set of claims with corrected status identifiers. The claims have not been revised from the claims filed on February 28, 2008, but for correcting the status identification of claims 5 and 15-18. The claims in this Supplemental Response replace the claims included in the February 28, 2008 amendment.
